- The Irish Organic Association (IOA) is a voluntary organisation and a company limited by guarantee. It is a membership-based organisation and membership is open to all. As an organic certification body, IOA operates an inspection and certification scheme based on the Organic Food and Farming Standards in Ireland Edition 2, as amended, which incorporates the requirements of EU Regulation (EU) 2018/848 in all its amendments as well as complementary European and Irish rules. The IOA has implemented and maintains a quality management system that complies with the requirements of ISO/IEC 17065:2012. IOA ensures that all staff are suitably qualified and are committed to acting impartially and confidentially. IOA also ensures that it operates fully in line with GDPR requirements.
- I/we have read the *Organic Food and Farming Standards in Ireland* Edition 2 as amended and confirm that the provisions of the relevant standards contained therein have been observed from the date of application and will be henceforth, until such time as IOA receive notification from me/us that I/we wish to be removed from the IOA Certification Scheme. I/we will comply with all IOA Standards including any updates that are published by IOA.
- I/we will allow IOA inspectors and other authorised personnel full access to my/our operation and sub-contractors and relevant records and documents at an agreed upon time, in order that they can check compliance with IOA Standards. I/we accept that inspection visits will normally be arranged at a mutually convenient time, but spot check/unannounced inspections may be carried out and that I/we will be subject to such announced or unannounced inspections until such time as IOA receive notification from me/us that I/we wish to be removed from the IOA Certification Scheme.
- I/we will allow IOA inspectors or authorised personnel to take samples (for example meat, soil, grain and plant material) from my/our operation and pass these on to third parties for testing. I/we understand that IOA will treat all information received in the strictest confidence.
- I/we will allow IOA personnel access to all areas of the operation and records for the investigation of any complaints received.
- I/we will provide any information requested by the inspector and certification staff in order for an accurate assessment of my/our operation to be made. I/we accept that information pertaining to my/our participation in the IOA Certification Scheme may be released to the relevant Competent Authority (DAFM/NICA) and/or the Irish National Accreditation Board, and that representatives from the aforementioned may attend inspections as observers. I/we understand that IOA will treat all information received in the strictest confidence. I/we understand that information gathered by IOA in relation to my/our certification may be in the form of visual observations, review of manual records and the use of digital/electronic means to gather evidence (such as email, photographs, videos). I/we understand that such information, along with information provided by me/us, will form the basis for the issuance of my/our organic Certificate and Licence and that this Licence (including the mandatory information as required under EU Organic Regulations and additionally stipulated by DAFM/NICA) will be published on the required public platform, TRACES (https://webgate.ec.europa.eu/tracesnt/directory/publication/organic-operator/index).
- I/we consent to the exchange of information between IOA, and any other Organic Certification Body (OCB) involved in the certification of my/our products through my/our own certification and that of sub-contractors. If I/we change OCB I/we accept the transmission of my/our organic file in its entirety to the subsequent OCB.
- I/we will fully comply with the labelling requirements when referring to organic production, or when using the IOA Symbol on any of the labelling, packaging or advertising/marketing material. I/we understand that the IOA Symbol is a registered trademark and must only be used in association with the fully organic products included in the scope of my/our certification and in accordance with published guidelines.
- I/we will ensure that the IOA trademark and my/our Licence or Certificate is not used in a misleading or unauthorized manner nor in such a manner as to bring IOA into disrepute.
- I/we will inform IOA immediately of any irregularity or infringement affecting the organic status of my/our products or organic products received from other operators or sub-contractors.
- I/we understand the requirements and obligations of my/our Licence with IOA. I/we accept that any breach of IOA Standards could lead to the termination of my/our Licence and subsequent removal of same from the aforementioned public platform, TRACES. Where corrective action is required in order for my/our Licence to be issued/renewed I/we agree to carry out this corrective action in a timely manner to ensure compliance with IOA Standards. I/we understand that I/we may have to incur additional inspections to demonstrate compliance with IOA Standards at my/our own expense.
- I/we accept that if my/our Licence with IOA is suspended, withdrawn or terminated (by choice or as a result of enforcement) I/we must discontinue to use any and all labelling, packaging and advertising/marketing material that contains any reference to IOA and must return any in-date Certificates to IOA within a specified timeframe and that DAFM/NICA (and IOA where applicable) will be notified immediately. I/we will inform in writing the buyers of any affected product in order to ensure that the indications referring to the organic production method are removed where applicable. I/we accept that IOA will retain my/our files for a minimum of five years after withdrawal/termination of my/our licence.
- If I/we wish to be removed from the IOA Certification Scheme I/we will provide written notice at least 1 month before the Licence expiry date.
- If I/we need to provide a copy of my/our Licence or Certificate to another party the documents will be reproduced in their entirety.

I/we will retain all documents relating to such complaints and will make these available to IOA on request. I/we will pay all licencing fees, as notified by IOA, in accordance with its terms of business. I/we also accept that other fees may apply if additional inspections are required, or if an agreed inspection date is cancelled with less than five working days' notice.
- I/we will inform IOA in a timely manner of any changes in relation to my/our operation (such as locations, products, contact details) that may affect my/our Licence or my/our ability to comply with the certification requirements.
- I/we have not been convicted of any offence under the Veterinary Medicinal Products, Medicated Feeds and Fertilisers Regulations Act 2023 or related regulations, nor have I/we been convicted of any offences in relation to my/our agricultural/food/product processing activities.
